DAWLEY BROOK PRIMARY SCHOOL

Assessment conducted by: FIONA SAFRANY	Job title: ACTING BUSINESS MANAGER	Covered by this assessment: TEACHING & SUPPORT, PUPILS, PARENTS & GUARDIANS, VISITORS, CONTRACTORS, CATERERS
Date of Initial Assessment: 18.5.20	Date of next review: 30.4.2021	
Review History	DBMC Update; 1.9.2020 DBMC Update: 8.1.2021 DBPS Review: 2.3.2021	

The sole purpose of this risk assessment is to support schools in preparing for the possibility of providing some face-to-face contact with pupils in year groups Reception, Year 1 and Year 6 **while reducing the risk of coronavirus transmission**. The risk assessment has been written in collaboration with a number of local LAs.

- For the purpose of this risk assessment, the term ‘coronavirus’ is used to refer to coronavirus disease 2019 (COVID-19). Schools must ensure that this risk assessment reflects the local setting and context of the school. Staff must be consulted with regard to this risk assessment (this must take into consideration all types of workers including agency workers, casual staff and contractors and any other adult on site as well as your permanent staff).
- This risk assessment is not exhaustive and is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting – **as such, the risks and risk controls should be deleted/amended/added-to to reflect the school.**
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.

Jan 2021 Schools COVID-19 Risk assessment addition due to Variance VUI – 202012/01: All of the controls measures below still stand good and are no different for the new variant of the COVID-19 virus; what has changed is its ability to be more easily transmissible so the above controls must be reinforced to ensure we keep a break in the transmission route and the building remains COVID secure.
